

## PUBLIC/STAKEHOLDER COMMENTS FORM

### The Draft Energy (Solar Photovoltaic Systems) Regulations, 2019

To streamline the manufacture, import, design, installation, distribution and commissioning of solar photovoltaic components and systems, the Energy and Petroleum Regulatory Authority has developed the [Draft \(Solar Photovoltaic Systems\) Regulations, 2019](#) together with the associated [Regulatory Impact Statement](#). The draft regulations are a revision of the Energy (Solar Photovoltaic Systems) Regulations, 2012. Consequently, the Authority invites the Solar PV industry stakeholders as well as members of the public to comment on the draft regulations and the Regulatory Impact Statement.

Written comments must be submitted on or before Wednesday, 11th March 2020 in the format prescribed below. Comments may be sent through [renewableenergy@epra.go.ke](mailto:renewableenergy@epra.go.ke)

The Authority will also hold a stakeholder consultation at a date to be announced later.
